Bristow Public Schools held a Special Board of Education meeting on July 28, 2020, to discuss and possibly adopt a revised 2020-2021 school calendar due to the surge in confirmed COVID-19 cases in our state. As of Monday, July 27, Bristow has had 47 confirmed cases, 1 death and 31 recoveries listed on the State Health Department site. Currently there has been are 32,686 confirmed cases in our state.

After adoption of the calendar revision, Bristow will now begin school on Monday, August 31, 2020. Factors taken into consideration in making this decision are:

1. Added time before bringing students and staff back on campuses to allow the COVID-19 surge curve to flatten. (student/staff safety)
2. Additional time for parents to make an informed decision as to which educational option, traditional or virtual, is best for their child.
3. Additional time for staff training to better prepare for the possible transition to virtual learning if necessary.

We apologize for any inconvenience this change may cause. At this time, we feel by pushing back the beginning of the school year to August 31, we will be better prepared to get the school year off to the best start possible. If you have any questions, please call any school site administrator listed on our reopening plan, which is posted on our school website, www.bristow.k12.ok.us.
